## VALCO Group

Valves Manufacturer  
and Service  
Provider Company

## VALCO Group :

**3 Sales Agencies situated in Abu Dhabi,  
Perth Australia & Malaysia.**

**1 Sales-Factory unit site in South Africa.**

### Our special certification capacities :

- Certification and capacity to test in-house (DNV MSA R-3637)
- Certification RCC-M (Nuclear)
- Certifications for Low Fugitive Emissions for sealing material (ISO 15848-1 : 2006)
- Construction Standards : CST EDF, MESC SHELL ...

World leader of Cryogenic applications for LNG Tankers & Off-Shore.

## Our Products

**Total solution provider from valve design to service maintenance.**

Our Products are guaranteed to satisfy customer demands as well as fulfil your difficult industrial requirements, and **tailor made solutions** :

- Oil & Gas Downstream
- LNG / Marine
- Cryogenic applications
- Energy & Power
- Nuclear
- Chemical Industry
- Water Supply and Treatment plants

We design and manufacture a wide range of products between **DN50 and DN900 up to pressure class 2500.**

### Product lines:

Gate Valves

Globe Valves

Check Valves

Safety Valves

FireClap & Feederclap

Storage tank fire protection system

Cryogenic Valves
